DIAGNOSTIC DISPLAYS

BURN IT! SHARE IT! ACCESS IT!

RANGE OF OPTIONS • VENDOR NEUTRAL • ALWAYS CUSTOMER-CENTRIC

## Image SHARING

vaultara

Self-hosted (**non-Cloud**) solution allows exams and results to be shared bi-directionally—quickly, securely, and cost-effectively

- Allows for connections to be established with facilities outside of your network directly without VPN or leased lines
- Images are sent in true DICOM format—eliminating compatibility problems with disparate PACS systems
- No per study sending fees—One time cost for implementation
- View images on any device

Resolution MD<sup>®</sup>

THINK MOBILE FIRST

## Image ACCESS

CALGARY SCIENTIFIC

Clinical access to patient images & records anywhere, anytime, on any device

- Diagnostic, FDA-Level 2 approved viewer on mobile devices
- Leverage collaboration and remote consultations between practitioners, multiple facilities, and patients
- Anywhere, anytime, from any browser, OS, PACS, or EMR
- Fast access to studies because processing work is done on server-side, not the mobile device
- HIPAA-Compliant—no PHI downloaded

# NEW PRODUCTS AND SOLUTIONS FOR IMAGING DEPARTMENTS

## DICOM Management Software

Simplify image sharing, burning, importing, converting, viewing and storing with Vertex

- **Acquire from any source;** PACS, CD/DVD, paper, images, film, video—and send **to any destination**
- Single-screen, drag-and-drop functionality and an intuitive interface makes your experience easier and more successful
- When you're ready to share data, simply burn it to a CD/DVD
- Works with existing hardware

## DICOM & Medical Record CD Burners

Quickly burn large studies to CD or DVD

- Automatically labels the disk
- Low-cost, efficient, reliable DICOM DISC publishing system with custom DISC labeling
- Encryption and Password Protection options available
- Ask about our DISCO™ Digital Secure Copy solution— Burn medical records *and* DICOM on encrypted CD with the same CD burner

## Diagnostic, Medical & Clinical Displays

Multiple manufacturer options—we can provide several quotes so you can get the most value for your budget

- Special pricing available for volume purchases
- HP & Dell approved workstations, PCI graphics cards and Consumer brand displays. Desk, wall & ceiling mounting systems

# NEW PRODUCTS AND SOLUTIONS FOR IMAGING DEPARTMENTS
