

Data Distributing
Service. Storage. Valued Relationships.

SornaTM

Harmony. Innovation. Simplicity.

Introducing **vertex**TM with **SDS**

Securely Send & Receive DICOM Studies - *DIRECT!*

Secure **DICOM Share**, an innovative feature of Sorna's new Vertex software, enables healthcare facilities to:

- Directly & securely (TLS) exchange DICOM studies & reports
- Send & receive data within existing workflows
- Eliminate expenses associated with VPNs
- Reduce delays in communication of time-sensitive information

Be among the first to experience the ultimate gateway for data sharing!
