OVERVIEW QUESTIONS

- Are you planning any PACS or EMR upgrades soon?

- Are you merging or acquiring any new sites? Any new partnerships with outside Rad groups or other facilities?

- Are you doing any construction/expansion in your department or hospital? Are you adding Imaging Centers, Cath or EP; have Hybrid lab?

- Are you remodeling or expanding your reading rooms? Need any read stations for home doctors? Other departments need monitors like Cardio, Surgery, OR, or ED? Do you have Mammo Tomo?

- What else are you purchasing but not from Data Distributing?

- What should we be selling that we aren't?
