***Elevate, an electric powered sit-stand desk, joins Ergotron's line-up of adjustable-height tables that move from sitting to standing height***

Available in a range of finishes and sizes, Elevate keeps you moving throughout the day so you're energized and productive.

Adjust the main worksurface 28"- 47" high (71 cm -119 cm) with the simple push of a button.

The 6.5" h (16.5 cm) cable tray is deep enough to hold all your power bricks and cord bundles.

Waterfall edges are comfortable against forearms and wrists.

**Tilt-and-go** rear wheels help you easily move the table for cleaning or accessing the cable tray.

Switch from sitting to standing with a simple push of a button.

"Tilt-and-go" wheels at the back of each foot make it easy to move the table when you need to rearrange your space or access the back of your equipment. Just lift the front of the worksurface and roll the table into place.

Contoured laminate worksurface with smooth edges is comfortable against your arms when typing.

Strong electric legs lift 150 lbs. (68 kg) of distributed weight easily and quietly at about 1.5" (3.8 cm) per second and move all your equipment up and down with the desk.

The open architecture frees up space for a treadmill and other equipment.
